

No Milk Today (Herman's Hermits)

Am **C**
No milk today, my love has gone away
E7 **Am** **E7** **Am**
The bottle stands for lorn, a symbol of the dawn
Am **C**
No milk today, it seems a common sight
E7 **Am** **E7** **Am**
But people passing by don't know the reason why
A **G**
How could they know just what this message means
D **D** **E7** **A**
The end of my hopes, the end of all my dreams
A **G**
How could they know the palace there had been
D **D** **E7** **A**
Behind the door where my love reigned as queen
Am **C**
No milk today, it wasn't always so
E7 **Am** **E7** **Am**
The company was gay, we turned night into day
A **E** **D** **E**
But all that's left is a place dark and lonely
A **E** **D** **F#m**
A terraced house in a meanstreet back of town
A **E** **D** **E**
Becomes a shrine when I think of you only
D **E**
Just two up two down
Am **C**
No milk today, it wasn't always so
E7 **Am** **E7** **Am**
The company was gay, we turned night into day
A **E** **D** **E**
As music played the faster did we dance
A **E** **D** **F#m**
We felt it both at once, the start of our romance
A **G**
How could they know just what this message means
D **D** **E7** **A**
The end of my hopes, the end of all my dreams
A **G**
How could they know the palace there had been
